ORDINANCE NO. 04-15-359

ORDINANCE OF
THE BOARD OF COUNTY COMMISSIONERS
OF FREDERICK COUNTY, MARYLAND

Re: Petition to Open, Close, and Alter Portions of Quinn Road

RECITALS

The Frederick County Division of Public Works, Office of Transportation Engineering, filed a petition with the Board of County Commissioners to open, close, and alter portions of Quinn Road pursuant to the Annotated Code of Maryland, Article 25, § 135 and following. The matter was duly advertised as required by the statute.

The Division of Public Works recommends that Quinn Road be realigned and reconfigured to provide a new intersection with Route 144 and to close the existing intersection with Route 144 following the completion of the construction of the reconfiguration. A portion of Quinn Road will be realigned to the south of Route I-70.

A public hearing was held before the Board of County Commissioners on Tuesday, November 16, 2004, at which time the public had an opportunity to present counter-petitions and to comment on the proposal. Following the hearing, the Board of County Commissioners voted to alter and realign Quinn Road to create a new intersection with Route 144 and to close the existing intersection with Route 144 after the realignment construction has been completed.

NOW THEREFORE BE IT ENACTED AND ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF FREDERICK COUNTY, MARYLAND, that Quinn Road be realigned to create the new intersection with Route 144, and that after the completion of the construction of the realigned section and approval by the Division of Public Works, the existing intersection of Quinn Road and Route 144 as shown on the attached abandonment plat (Exhibit A hereto) be closed.

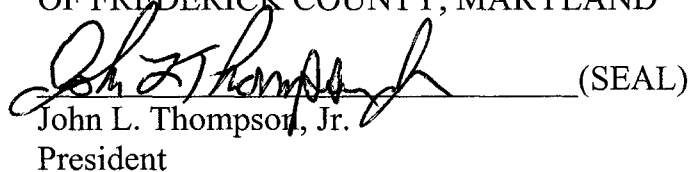

The undersigned hereby certify that this Ordinance was approved and adopted on this 16th day of NOVEMBER, 2004.
